

## KAPITI

<b>Dimensions</b>	206cm x 206cm x 87cm
<b>Jet Count</b>	45 jets with stainless steel trim
<b>Jet Pump</b>	4.5 bhp (3.0 continuous duty horse power), 2-speed pump; our pump draws fewer amps on low speed, using less energy to heat and filter
<b>Water Capacity</b>	1003L
<b>Dry Weight</b>	216kg
<b>Cabinet &amp; Shell Style</b>	Espresso synthetic wood cabinet paired with arctic shell
<b>Heater</b>	2kw (230v) stainless steel
<b>Electrical</b>	230v Includes 10m Power Cord and ELCB
<b>Filter</b>	50 ft. <sup>2</sup> intelligent filtration with customized programming for optimized filtration cycles
<b>Insulation</b>	<b>Full foam insulation</b> for maximum efficiency and long-term heat retention
<b>Water Care</b>	<b>Ozone Water Care System</b> helps to keep water crystal clear while reducing the amount of chlorine needed

*Islander Spas are extremely energy efficient, so there is no need to turn the temperature down while not in use. Full foam insulation and a locking thermal cover will keep the heat in and the electric bill low, so you can enjoy your new spa for years to come.*

*Islander Spas exceed the stringent California Energy Commission mandates for hot tub energy consumption.*

## **Islander® Spas, Your Relaxation Destination**

*Islander Spas are made by Watkins Wellness, the world's leading manufacturer of hot tubs and aquatic fitness products. Our products help people relax, connect with loved ones, and live healthier, happier lives. Watkins Wellness is unsurpassed in quality and long-term reliability, and is a part of Masco Corporation, a Fortune 500 company whose family of brands include Delta® faucets, Behr® paint and Kraftmaid® cabinets.*

**WatkinsWellness™**  
Feel good. Live well.™
